### 2003 Legislative Survey

Please fill out the survey and mail it to me, or [complete the survey online at www.in.gov/H33](http://www.in.gov/H33). Another member of your household may respond in the second set of answers.

1. Would you support a delay in the date of the next property reassessment in order to help the state make it through its fiscal crisis?

☐ Yes ☐ No

2. Do you feel the Legislature should suspend some business tax cuts enacted in 2002 until Indiana has recovered from the national recession?

☐ Yes ☐ No

3. Recently, Gov. Frank O'Bannon and Lt. Gov. Joe Kernan announced the Energize Indiana plan that will focus on expansion and growth in the state's educational and economic efforts. Their intention is to finance these proposals without relying on state tax dollars by using funds from Indiana's share of the national tobacco settlement. Do you agree with this approach?

☐ Yes ☐ No

4. Should Indiana pass a plan that would protect Hoosiers from unsolicited e-mail, better known as "spam"?

☐ Yes ☐ No

5. Do you believe the state should increase penalties against those people who attempt to steal the identities of others through fraudulent use of Social Security numbers, driver's licenses, etc.?

☐ Yes ☐ No

6. Should Indiana adopt daylight-saving time?

☐ Yes ☐ No

7. Do you believe the state should have the authority to levy stiffer fines and other penalties against utility companies that refuse to follow state laws, rules and regulations?

## Stay in touch

with Representative Liggett  
and the Indiana General Assembly

The 113th Session of the Indiana Legislature has just convened. Below are some of the ways to stay involved.

### Online

The official Web site for the State of Indiana is at [www.in.gov](http://www.in.gov). This is a good place to start if you're interested in information about Indiana and various government services.

Additionally, each representative has a Web site with information on his or her background, education and contact information. My site is at [www.in.gov/H33](http://www.in.gov/H33). There you may also learn about bills that I have filed, read past newsletters, and apply to become a page or an intern.

### E-mail updates

Would you like to receive e-mail updates with news from the Statehouse? You are always encouraged to contact me directly via e-mail, but I would also be happy to send you news from time to time about what is going on at the Statehouse.

To receive updates, e-mail me at [H33@in.gov](mailto:H33@in.gov) and ask to have your name added to the list, or **just include your e-mail address on the front of the survey response card**. It's a simple way to stay informed about the issues that impact our state and our district.

### Becoming a page

Serving as a page during the 2003 session allows any child age 13 or older the opportunity to gain a firsthand glimpse of how the legislative system works. Students will be excused from school on the day they are serving as a page and will spend the entire day at the Statehouse.

Interested students should send me their name, parent or guardian's name, address, phone number, school and two different dates when the student could come to the Statehouse between now and late April, 2003.

Please note that positions fill up quickly, so apply as soon as possible!

### In person

Sessions of the Indiana General Assembly are open to the public. You may observe the House yourself, seeing our democratic system at work. No need to schedule an appointment—you're always welcome. The House chamber has a visitors' gallery on the fourth floor from which you can view proceedings.

Whichever method you prefer, I hope that you'll keep informed and stay involved.
